

Reds

Merlot

A classic Merlot wine with smoky tones on the initial pallet, with blackberry mid-pallet and a dry finish.

Norton

Our Norton is a deep ruby red color; it has a distinctive nose with a notable, rich berry flavor. Oak gives this a dry finish which complements any red meat or hearty stew.

Cabernet Franc

Our Cabernet Franc is a medium bodied, garnet colored red wine, with notes of pepper, sweet cherry, and smoke. Finished with subtle malt and a touch of spiced, integrated tannins. Pairs well with grilled red meat.

Social Cluster Red Blend

A full palette experience with notes of black berries and currant, complemented with a smooth medium body and a long dry finish.

Whites

Viognier

As a state grape of Virginia, we take pride in offering our Viognier wine. This wine has hints of white peach and honeysuckle, touched by a hint of gardenia. Vanilla flavors provide a soft finish. Pairs well with spicy or blackened fish.

Petit Manseng

This grape originates in southern Rhone Valley of France, and it is grown throughout Virginia. This wine is off-dry with notes of pit fruit, with a refreshing crisp finish.

Social Cluster White Blend

A complex exotic wine with buttered toast and caramel on the nose. Layers of caramel and vanilla on the palate perfectly harmonized with lush pineapple and a lingering starfruit and kiwi finish.

Cuvée Blanc

Our Cuvée Blanc is a refreshing blended white wine which, when chilled, is well suited for warm summer days. This honey colored wine has a light body conveying flavors of apple and pear which are touched by a light oak and buttery finish.

Rosé

Rosé

A blend of Chambourcin and Riesling give our Rose its light color and well rounded, dry finish. Ripe cherry, strawberry, and tangerine flavors make this a great summer wine that pairs well with cheese or smoked fish.
